Food Transition

The study material in Food Transition can be used by teachers in MBO and HBO. It has been developed in the Learning Network Food commissioned by the Dutch Ministry of Agriculture, Nature and Food Quality .
Food transition uses the Groen Kennisnet wiki tool.

Authors and contributors:

- Hil Mols (Citaverde College), Marleen Warnaar (Aeres MBO), Barbara van Mossevelde (HAS) and Brigitta Methorst (Aeres Hogeschool)
